On behalf of the Academy of Educational Studies, I would like to express our thanks to ADAM KULIKOWSKI and his associates for creating, developing and maintaining our Web site: ([www.aoestudies.co.uk](http://www.aoestudies.co.uk)).

Adam Kulikowski has been involved in the design of the Web site for the Academy of Educational Studies form 24 June 2011. I have always found him to be professional, reliable, and he has provided excellent customer service for the business in many occasions.

Based in United Kingdom the Academy of Educational Studies has been functioning on the international marketplace offering a vast choice of the English Courses, our Web site appearance has been the key component for our successful growth.

I would certainly recommend Adam Kulikowski services to business oriented individuals as well as companies.

Yours sincerely,

Dariusz Adamczyk
